How to Share This Book

Social stories gently walk a child through a situation and model calm, kind choices. Read this book together, more than once. The repetition is what helps - it lets a child rehearse the feelings and choices before the real moment happens.

This book helps a child understand the feeling, see that it is normal, and practice calm, kind choices - before the real moment happens.

How to use it

- ☐ Read the story slowly and out loud, pointing at the pictures.
- ☐ Read it again on calm days - not only in the hard moment.
- ☐ Pause to let your child color, answer, or act out the pages.
- ☐ Praise effort and calm tries, not perfection.
- ☐ Use the calm-down tools together so they feel familiar later.

The Story

Working It Out Together

Sometimes I disagree with someone.

We both want different things, and it turns into a conflict.

Conflict can make me feel angry or upset.

Those feelings are normal. Everyone has conflicts sometimes.

The first step is to CALM DOWN before I talk.

I take a breath so my thinking brain can help me.

Then we take turns talking AND listening.

I use 'I feel...' words instead of blaming or yelling.

I try to understand the other person too.

'How do you feel? What do you want?' Listening helps a lot.

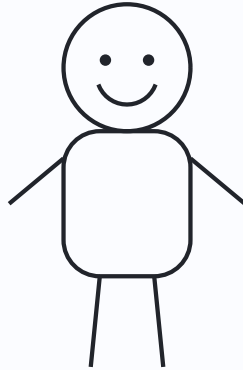

Together we look for a fair fix.

Maybe we share, take turns, trade, or find a new idea.

Kind words solve more problems than mean words ever could.
We worked it out, and we are still friends.

If we get stuck, we can ask a grown-up to help us fix it.

Solving problems with kind words feels good.
