How to Play & Learn

This activity book turns learning into play. Print the pages, cut out the cards along the dashed lines, and use the mats and games again and again. Playing the same game more than once is where the learning sticks.

Builds social-studies knowledge about the people who help our community, through pretend-play, matching jobs to tools, and knowing who to call for help.

Tips for grown-ups

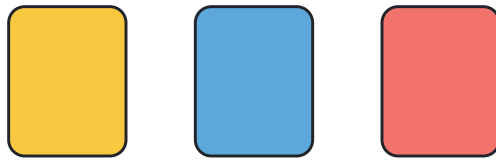

- ☐ Print on card stock if you can, so the cut-out cards last longer.
- ☐ Cut out the cards together along the dashed lines - it builds fine-motor skills.
- ☐ Play each game more than once; repetition is where the learning sticks.
- ☐ For older kids, ask 'why?' after every answer to deepen thinking.
- ☐ Keep it playful - praise trying, not just getting it right.

Ages 5-19: how it grows

- ☐ Younger (5-9): match, sort, and color with hands-on cards.
- ☐ Middle (10-13): play the games and explain WHY each answer fits.
- ☐ Older (14-19): use the discussion and reflection prompts to go deeper.

Part 1: Community Helpers

Meet the people who help us every day.

Helper Role-Play Cards (Set 1)

Cut out and act out each helper. Take turns being the helper and the person they help.

Doctor / Nurse

Say: 'Let's check how you feel.' Help someone get better.

Firefighter

Say: 'Stay low and safe!' Put out the pretend fire.

Police Officer

Say: 'How can I help keep you safe?'

Teacher

Say: 'Let's learn together!' Teach a lesson.

Farmer

Say: 'Time to grow our food.' Plant and harvest.

Mail Carrier

Say: 'Special delivery!' Deliver the letters.

Helper Role-Play Cards (Set 2)

More helpers to act out. What does each one say and do?

Chef

Say: 'Order up!' Cook a pretend meal.

Dentist

Say: 'Let's keep those teeth healthy!'

Bus Driver

Say: 'All aboard - buckle up!'

Vet

Say: 'Let's help this animal feel better.'

Librarian

Say: 'Let me help you find a book.'

Construction Worker

Say: 'Hard hats on - let's build!'
