How to Play & Learn

This activity book turns learning into play. Print the pages, cut out the cards along the dashed lines, and use the mats and games again and again. Playing the same game more than once is where the learning sticks.

Builds faith-based problem-solving by acting out real situations and choosing responses rooted in kindness, honesty, and faith. Great for families, classes, and youth groups.

Tips for grown-ups

- ☐ Print on card stock if you can, so the cut-out cards last longer.
- ☐ Cut out the cards together along the dashed lines - it builds fine-motor skills.
- ☐ Play each game more than once; repetition is where the learning sticks.
- ☐ For older kids, ask 'why?' after every answer to deepen thinking.
- ☐ Keep it playful - praise trying, not just getting it right.

Ages 5-19: how it grows

- ☐ Younger (5-9): match, sort, and color with hands-on cards.
- ☐ Middle (10-13): play the games and explain WHY each answer fits.
- ☐ Older (14-19): use the discussion and reflection prompts to go deeper.

How to Use the Scenario Cards

Cut out the scenario cards. One person reads a card aloud, then players talk about or act out what they would do. There is often more than one good answer - the goal is thoughtful, kind, faith-filled choices, and hearing each other's ideas.

Ways to use the deck

- ☐ Talk it out: what would a kind, honest choice look like?
- ☐ Act it out: role-play the situation and the good choice.
- ☐ Go deeper (older kids): which Bible verse or value guides your choice?
- ☐ No wrong answers - explain your thinking and listen to others.
